Vontoo Partners With Indiana Fever

As the Indiana Fever looks to clinch its first WNBA championship tonight, Indianapolis-based Vontoo Inc. is working with the team and Carmel-based MediaSauce to put fans in touch with a new interactive video. The Vontoo V2 product includes a video with name personalization and custom phone messaging. The video from the Fever depicts a half-time speech, urging people to support the team. [Read More](#) Vontoo Director of Sales Brad Salyer says the system is ideal for sports teams working to stay in direct contact with their fan base.
